

We want your child to have a great experience with us! We realize that at times kids can become nervous, anxious, overwhelmed or require redirection. What would be helpful to know to make your child more comfortable? What words or gestures do you use to redirect? (i.e. My son does not like getting messy. He would not want to participate in messy crafts. OR Having my daughter sit and take a 5 minute break when she gets upset usually works.)

Are there any behaviors/symptoms/medical issues our staff should be aware of in order to provide the best experience for your child? (i.e. My child may try to climb up on top of chairs. OR My child may cry if she feels overwhelmed.)

Here is a chance to dote on your child! Tell us all the fun stuff-favorite hobbies, animals, colors, favorite shows, music, subjects in school. What does your child do best? What activities make him/her the happiest?

What tasks (if any) does your child require additional assistance with? (i.e. bathroom, eating, etc.) What does that assistance look like?

Please describe any additional needs or requirements your child may have so that we know how better to serve him/her. (i.e. communication needs, quiet area, extra time to transition, etc

How did you hear about our camp?

We are so looking forward to spending time with your child.
