

Moses...

Rescue on the Nile

Memory Verse:

Try saying this verse in a baby voice, then a high voice.

What are some other voices you can try?

Psalm 56:3 When I am afraid, I will put my trust in you.

Read the Bible:

The story of Moses is found in Exodus 2:1-10

Let's Talk:

1. Who are some people who take care of you? God was taking care of baby Moses because he had a big job for him to do when he grew up.
2. Moses' sister helped her mother watch over baby Moses. How do you help your Mom and Dad?
3. Can you think of a time when you were afraid? Remember you can trust God to **always** be with you!
