

The Writing's On The Wall! Luke 11:28

The wall of Jericho is about to fall! Follow the instructions below. Then write the leftover words in order on the blank lines to see why Joshua and the Israelites had victory over Jericho.

Step 1: Cross out all the names of colors.

Step 2: Cross out all the types of transportation.

Step 3: Lose the girls' names.

Step 4: Hey, why pick on the girls? Cross out the boys' names, too.

Step 5: Who needs the names of different toys? You don't.

Step 6: Finally, let's get rid of the school subjects. (Hey, it's only for this puzzle!)
